Dear NEFS Members, Friends,

Yesterday, Rhode Island and Massachusetts joined several other states in declaring a state of emergency with respect to COVID-19 /Coronavirus Disease. With our desire to practice greatest caution in observance of local, regional, and national (cdc.gov) recommendations and restrictions related to COVID-19 (Coronavirus Disease), we have made the decision to postpone the 2020 Annual New England Fertility Society Meeting, originally scheduled for May 1–2, 2020 in Newport, RI. Our goal is to provide a safe atmosphere for our speakers, industry supporters, members, and meeting attendees.

We are in the process of rescheduling this meeting for the Fall of 2020 and we hope that you will still be available to join us for the meeting during the revised dates. We will inform you of the new dates once they have been finalized.

If you have already booked hotel rooms at Gurney's Resort, we encourage you to contact the hotel promptly for cancellations.

We thank you for your ongoing support of the New England Fertility Society.

Sincerely,

Paula Dwan
